About the Camp

Established in 1977, the **Grace Day Camp** is staffed by those who have discovered the joy of knowing, loving, and serving their Lord and Savior, Jesus Christ. Here, within the atmosphere of wholesome Christian attitudes, children are offered a fun experience with the Word of God. At Grace Day Camp, we believe in practicing love, concern, and respect for fellow campers. The Chapel prays that the culmination of this ministry will lead each child to individual growth according to God's Word.

About the Chapel

Grace Bible Chapel is an independent nondenominational, evangelical church that has been a part of the Chester community since its birth as the Mendham-Chester Fellowship in 1957. Incorporated on November 29, 1960, the Chapel in 1961 moved to its present location at the end of Cathy Lane just off Oakdale Road (1/2 mile west of the junction of Route 24 and Route 513). Since its inception, the facilities of the Chapel have grown to include playing fields, a gymnasium, two swimming pools, an outdoor play area, picnic area, kitchen, library, nursery school, and fellowship hall, as well as Christian education and worship facilities. The Chapel throughout the year offers a variety of activities including AWANA, Bible studies, DaBarn Recreation Center, music, senior fellowship activities, men's and women's ministries, church family fellowship activities, Sunday School, and regular corporate worship gatherings.
