

The Little Lambs Christian Nursery School was organized in 1978 to provide an introduction to Christian attitudes and teachings for the three and four year old. A high caliber curriculum is offered by a qualified staff. A cooperative nursery school, Little Lambs offers interested parents the opportunity to become involved in their child's pre-school education by participating in the classroom.

Grace Bible Chapel, located on Oakdale Road, is an independent, non-denominational fellowship of local evangelical Christians. In keeping with the Bible, Grace Bible Chapel makes no distinction of race, nationality, or religion.

Please feel free to call (908) 879-4245 to arrange a convenient time to observe the class, the classrooms, and the loving Christian atmosphere at Little Lambs Christian Nursery School.

GOALS

1. To provide an introduction to Christian attitudes and teachings.
2. To teach the basic concepts in readiness for school, such as numbers, colors, letters, and shapes.
3. To learn to work and play together.
4. To encourage the development of large and small muscle co-ordination through physical activities.

ELIGIBILITY

Pre-schoolers who turn three by October 1st are eligible to attend Little Lambs 2 Day session.

Pre-schoolers who turn four by October 1st are eligible to attend Little Lambs 3 Day or 4 Day session.

SESSIONS

Little Lambs offers one program for the three year old:

- 2 Day morning session on Tuesday and Thursday from 9:00-11:30AM.

Little Lambs offers two programs for the four year old:

- 3 Day morning session on Monday, Wednesday, and Friday from 9:00-11:30AM.
- 4 Day afternoon session on Monday, Wednesday, Thursday and Friday from 12:00-2:30PM.

REGISTRATION

Children who meet eligibility requirements may register now. A \$35.00 non-refundable registration fee must accompany the registration form along with the first installment payment. Refunds will be made with written notice up to and including July 1st. After this date, the money is non-refundable.

TUITION

Tuition is an annual fee due upon enrollment, however, for convenience, we suggest our installment plan with no interest charge. If you choose this approach, the total annual tuition is divided into ten equal installments. One installment is required with the registration fee as a deposit. The remaining installments are paid the first of each month, commencing September 1st. There will be a \$15 charge for all checks that are returned by the bank. Since the Nursery School has fixed expenses, enrollment of your child is expected to be for the full year, regardless of the payment plan chosen. Reimbursements will be made only for illness certified by a doctor that extends over two consecutive weeks or more.

HEALTH INFORMATION

We require that your child's immunization program be current. These guidelines will help:

- DPT - series of 3 plus booster at 18 months
- Polio - series of 3
- Measles, Mumps, & Rubella - 12 months
- Hib – one dose after 12 months
- Varicella - one dose after 12 months
- Pneumococcal Conjugate – one dose after 12 months
- Lead Test – one test at 12 months and one test at 24 months or one test after the age of 2 years
- Influenza Vaccine – one dose annually between September 1 and December 31 of each school year

The completed health form must be submitted on the first day of school.

COOPERATIVE SYSTEM

The cooperative system will utilize interested parents on a rotating basis. Each participating family will co-op for 3 weeks over the course of the school year. It should be mentioned that the responsibility of the cooperating parent includes bringing the snack for the class, helping the teachers in their activities, assisting with clean up, and participating with the children. It is a wonderful opportunity to observe your child interacting in a group situation. Parents are encouraged to bring special interests or talents to share with the class as long as they plan these with the teacher before their participation week.
